

A Special Note to Cubmasters, Webelos Den Leaders, Parents, and Boys:

For Second Year Webelos, this year marks the end of Cub Scouting and, for many boys, the transition into Boy Scouting. To help your boys make this important step, you are encouraged to visit local Boy Scout Troops to see which one will best meet your boys' expectations and needs. First Year Webelos can also start making this activity part of their program.

Troop 206 in Atherton invites you to join us at Troop Meetings, Courts of Honor, and to come on one of our campouts or weekend activities. We will be meeting at Sacred Heart Prep School on three Monday evenings a month. Our Scoutmaster, Roger Hardy, Any of our Assistant Scoutmasters and / or and our Senior Patrol Leader, Tim Biche, would also be happy to attend a Parents, Den, or Pack Meeting or to answer your specific questions.

We are proud of our Scouts and their commitment to living the Scout Law. The Scouts enjoy working with Cub Scouts and Webelos, participating in Den and Pack activities, including the Pinewood Derby, the Blue and Gold Dinner, outdoor projects, first aid training, coaching for Arrow of Light requirements, campouts, and Camporee preparation. The boys welcome the opportunity to share their Scout skills and introduce others to the fun and adventure of Boy Scouting.

Also, if you are interested in having a qualified Den Chief work with your den on a regular basis, we will make every effort to match you up with a trained Scout. Den Chiefs serve as "junior assistant den leaders", helping Cub Scouts get the most out of their scouting experience and coaching them in what they can look forward to as Boy Scouts.

Please give us a call! We have our yearly schedule, newsletter and troop information packages we can send to you.
